

35th World Congress of the International College of Surgeons  
Preliminary Programme  
Thursday, 26th October 2006

Time / Room	Peach A2	Peach A3				
08.30-9.10	<b>ICS President's Lecture</b> Ethics and New Challenges in Organ Transplantation <i>Prof. Nadey Hakim, United Kingdom</i>					
09.10-10.00	<b>Keynote Lecture I</b> Current Status of Robotic Surgery <i>Dr. Anusak Yiengpruksawan, USA</i>					
10.00-10.30	<b>Coffee / Tea Break</b>					
Time / Room	Peach A1	Pattaya 3	Pattaya 6	Pattaya 1	Pattaya 7	Pattaya 4
	<b>General Surgery</b>	<b>Trauma</b>	<b>Advanced Laparoscopic Surgery</b>	<b>Urological Surgery</b>	<b>Plastic &amp; Reconstructive Surgery</b>	<b>Colorectal Disease: Laparoscopic Colectomy</b>
10.30-11.00	Updates on Care and Monitoring for Critical Surgical Patients <i>Prof. Peter Dodek, Canada</i>	Challenges in War & Terrorist Surgery <i>Prof Abraham Baruchin, Israel</i>	<b>Chairman: Assoc. Prof. Sukij Panpimmas, Thailand</b>  Endoscopic Thyroid and Parathyroid Surgery <i>Dr. Suchart Chantawibul, Thailand</i>	Immediate and delayed management of urethral trauma in pelvic fracture. <i>Prof. Willem Oosterlink, Belgium</i>	Tissue Engineering for Ear and Finger Reconstruction <i>Dr. Naritaka Isogai, Japan</i>	Overview: Hand-Assisted Laparoscopic Colectomy <i>Larry S. Sasaki, M.D.</i>
11.00-11.30	Challenges in New Emerging Surgical Technology : Robotic Application in General Surgery <i>Dr. Anusak Yiengpruksawan, USA</i>	Damage Control in Traumatic Patients <i>Prof. Ken Boffard, South Africa</i>	Laparoscopic Surgery for Gastric Cancer. Where are we now? <i>Prof. Wei-Jei Lee, Taiwan</i>	Laparoscopic Surgery for the Varicocele <i>Prof. Christopher Chen, Singapore</i>	Innovation in Microsurgical Reconstruction <i>Dr. Naritaka Isogai, Japan</i>	Laparoscopic Right Colectomy <i>Bryan Butler, M.D.</i>
11.30-12.00	New Challenges in Acute Abdomen Management <i>Prof. Joseph S. Solomkin, USA</i>	Challenges in the Management of Severe Traumatic Patients: Damage Control <i>Prof. Vijay K. Mittal, USA</i>	Endoscopic Facial Lifting <i>Dr. Nond Rojvachiranonada, Thailand</i>	Diagnosis and treatment of superficial bladder Tumors <i>Prof. Willem Oosterlink, Belgium</i>	Challenges in Cleft Lip Cleft Palate Surgery <i>Dr. Bowonsilp Chaochuen, Thailand</i>	Laparoscopic Left Colectomy <i>Samuel C. Oommen, M.D.</i>
12.00-13.30	<b>Lunch Break</b>					
13.30-14.00	<b>Symposium : New Challenges in Surgical Infection</b> Challenges in Surgical Treatment for Severe Infection <i>Prof. Joseph S. Solomkin, USA</i> Challenges in the Infection in Chronic Wound <i>Prof. Gerit Mulder, USA</i>	<b>Symposium : Challenge in Multiple Trauma Management</b> Blunt Thoracoabdominal Injury <i>Prof. Ken Boffard, South Africa</i> Cardiovascular Injuries <i>Prof. Vijay K. Mittal, USA</i> Challenge in Multiple Trauma Management in Disaster <i>Dr. Yoshikura Haraguchi, Japan</i> Early Enteral Feeding in Traumatic Patients <i>Prof. Krishnan Sriram</i>	<b>Symposium I : Current Status of Bariatric Surgery</b> <b>Chairman: Prof. Paisal Pongchairerk, Thailand</b>  Overview of Morbid Obesity: Pathophysiology and Management Strategies <i>Dr. Nopawan Kittivat, Thailand</i> "Conventional" Treatment of Obesity <i>Prof. Chulaporn Roongpisuthipong, Thailand</i> Bariatric Surgery: Current Status <i>Dr. Theerapol Ankulpakdeekul, Thailand</i> Technique of Laparoscopic Gastric Banding <i>Dr. Haridas Baladas, Singapore</i> Technique of Laparoscopic Roux-En-Y Gastric Bypass <i>Prof. Rudolf Weiner, Germany</i>	<b>Symposium : Holistic Approach for Urolithiasis</b> Epidemiology of Urolithiasis in Thailand Update in Pathogenesis of Urolithiasis Update in Diagnosis of Urolithiasis Update in Medical Treatment of Urolithiasis Update in Surgical Treatment of Urolithiasis ESWL, PCNL, URS, Laparoscopy Update in Stone Prevention <i>Dr. Bannakij Lojanapiwat</i> <i>Dr. Monthira Tanthanuch</i> <i>Dr. Vorapot Choohaklai</i> <i>Dr. Chaiyong Nualyong</i>	<b>Cardiovascular Thoracic Surgery</b> Surgery for Atrial Fibrillation <i>Dr. Chalit Cheanvechai, Thailand</i>  Challenges in Thoracic Endoscopic Surgery <i>Dr. Choosak Kasemsarn, Thailand</i>  Management of Endobrochial Cancer using Bronchoscopic Electrocautery <i>Prof. Sawang Saenghirunvattana, Thailand</i>  Challenges in Cardiac Transplantation <i>Prof. John Wallwork, United Kingdom</i>	<b>Colorectal Disease: Laparoscopic Colectomy</b> Laparoscopic Total Colectomy and Total Proctocolectomy <i>Larry S. Sasaki, M.D.</i>  Managing Potential Complications <i>Bryan Butler, M.D.</i>  Review of COST Study and Future Issues for Treatment of Colorectal Cancer <i>Samuel C. Oommen, M.D.</i>
14.00-14.30	New Antibiotics for Surgical Patients <i>Assoc. Prof. Kumthorn Malathum, Thailand</i> Septic Vasculitis/ Infected Aneurysm <i>Prof. Raymond Dieter, USA</i>					
14.30-15.00						
15.00-15.30	<b>Coffee / Tea Break</b>					
15.30-16.00	Challenges in Surgical Sepsis <i>Prof. Joseph S. Solomkin, USA</i>	Non-Operative Management in Traumatic Peritoneum <i>Prof. Shashanka M. Bose, India</i>	<b>OP 2: Laparoscopic Surgery Free Papers</b>	Surgical management of renal cell carcinoma with vena caval extension <i>Dr. Tomoaki Fujioka, Japan</i>	Robotic Surgery for CVT <i>Dr. Chockchai Suwanakijboriharn, Thailand</i>	<b>OP 5: General-Colorectal Free Papers</b>
16.00-16.30	Challenges in Management of Postcholecystectomy Syndrome <i>Prof. José Miguel Alvear, Ecuador</i>	<b>OP1: Trauma Free Papers</b>		Anterior Urethral stricture repair <i>Prof. Willem Oosterlink, Belgium</i>	<b>OP 4: CVT Free Papers</b> Chairman: <i>Dr. Weerachai Nawarawong</i> Co-Chairman: <i>Dr. Kittichai Luengtaviboon</i>	
16.30-17.30	Evidence-based clinical practice guidelines for prevention of VAP <i>Prof. Peter Dodek, Canada</i>			<b>OP 3: Urological Free Papers</b>
